Positive features of the lesson:

The lesson was well planned with a clear focus on conditional typeal and type 02. The teacher created positive and supported environment where encouraged students to participate actively. Individual and group ~~to~~ activities were done and the teacher monitored students' work and provided feed back where necessary.

Points to work on for the next lesson:

- It is better if you can give shorter and clearer instructions before each activity.
- Try to provide students more opportunities to use the target language in real life situations.

Overall comment:

A well-organised and purposeful lesson. The teacher established good rapport with students and created positive learning environment. Students were actively involved in the activities and had opportunities to practise the target lesson, conditional type 01 and type 02.
